Creative writing

- 5) Here are adverts for three products. Your friend has a house with a big garden and is having problems with all these animals. Write an email giving advice about what to do to keep these animals away. Describe the products and how to use them.

Cat-gone

ANTI CAT POWDER
– cats hate it!

Instructions for use.

- 1 Watch for where the cat enters your garden.
- 2 Put *Cat-gone* powder all around the area.
- 3 Cat will smell the powder and will not come in your garden.

Do not use when raining.

Woofo

Automatic dog barker!

- Don't let Mr Fox come near your house!
- When a fox comes near the special *Woofo* unit, it automatically starts making a barking sound.
- The fox won't want to stay around for long!

Safetrap

– the best mousetrap money can buy.

Don't want mice in your house – but don't want to hurt them?

Safetrap – simply put some cheese in the trap and leave the door of the trap open.

When the mouse enters, the door closes, the mouse can't get out. Now release the mouse away from your house. Easy!
